## Something "Different" to Cook

## POTATOES BORDEAUX.

Peel three large potatoes and cut as for French frying in pieces about one and one-half inches long. Finely mince one medium-sized onion and one ounce of lean salt pork. Have ready four teaspoons of melted butter in a hot pan. In it place the onion and meat and brown to a rich golden color. Then add the potatoes and one bay leaf, seasoning with one-half teaspoon salt and one-quarter teaspoon white pepper. Mix well, add one-half cup hot water, cover the pan and boil for 20 minutes. Serve garnished, with chopped parsley.

## NORMANDY ROAST.

Peel, wash and slice thin, 10 small, sound potatoes. Thoroughly beat four egg yolks and two eggs whites, stirring in one cup of beef broth. Season the liquid with one teaspoon salt, one-half teaspoon white pepper and one-fourth teaspoon grated nutmeg. Place the potatoes in a deep baking dish, pour over the liquid, lightly stir, and bake in a moderate oven for 40 minutes.

**POTATOES GRECIAN STYLE.**  
Peel and carefully wash six large sound potatoes. Place in a roasting pan covering each potato with a thin slice of bacon. Bake in a moderate oven for 35 minutes, turning them over frequently in order to insure even baking on all sides. Remove from oven, take up one at a time with a towel and remove the centers with an apple corer. Have ready one cup of finely ground raw beef, stuff centers with the meat, close each end of the potato with a small piece of the scooped-out center, replace in the roasting pan, sprinkle lightly with salt and black pepper, dress with melted butter and return to the oven to bake for 25 minutes. Serve with parsley.

## THIN CORN BREAD.

Materials—Two cups yellow corn-

meal, two cups flour, two cups milk, two eggs, two tablespoons melted bacon drippings or butter, two tablespoons sugar, one teaspoon salt, three teaspoons baking powder.

Utensils—Mixing bowl, flour sifter, two measuring cups, teaspoon, tablespoon, eggbeater, shallow pan or two pie tins.  
Directions—Sift the cornmeal, flour, sugar, salt and baking powder into bowl, add the milk, bacon drippings, and well-beaten egg; mix well; then pour into shallow pan which has been brushed with bacon drippings and bake in hot oven 30 minutes. It must be thin.

## FRENCH STEW WITH VEGETABLES.

Materials—One and one-half pounds lean stewing beef or mutton, one quart potatoes, two cups cut carrots, two cups cut onion, two cups tomatoes, one tablespoon salt, one-half teaspoon white pepper, two tablespoons flour, two tablespoons parsley.

Utensils—Piece of cheesecloth, knife, large boiler, two measuring cups, teaspoon, tablespoon, skimmer, strainer.  
Directions—Wipe the meat with a piece of wet cheesecloth, cut into two-inch pieces, put in large boiler, cover with boiling water, boil slowly one and one-half hours then add the carrots and onions (if onions are small, leave them whole); boil 15 minutes; then add the potatoes, salt, pepper and tomatoes, boil 30 minutes (be sure to have enough water to cover meat and vegetables). Lift the meat and vegetables out with skimmer and strain four cups of the stock for the broth. There should be two cups for gravy; to it add the flour, which has been mixed with a little cold water; boil three minutes; pour over the meat and vegetables and sprinkle with the chopped parsley.
